As grounds for its motion, Opposer states that:

1. Opposer timely filed a Notice of Opposition on March 2, 2007.
2. On March 2, 2007, the Trademark Trial and Appeal Board (the "Board") entered an Order instituting the Opposition proceeding and setting forth the trial schedule.
3. Following the filing of Applicant's Answer, Opposer and Applicant had discussions regarding the parties' respective use of their trademarks and they were able to resolve their differences by entering into a settlement agreement.
5. As a result, on November 1, 2007, Applicant filed a proposed amendment to its application Serial No. 78/792,269 with Opposer's consent.
5. On November 21, 2007, the Board held a telephone conference with counsel for the parties, in which the parties agreed to amend the subject application's recitation of goods and services in International Class 43 from "Restaurants" to "Restaurant services, namely serving macaroni and cheese entrees."

6. On November 26, 2007, the Board entered an Order that approved the parties agreed amendment to the subject application, which resolved the dispute between the parties.

7. Applicant has consented to this Motion.

WHEREFORE, Opposer respectfully requests that this Opposition be withdrawn without prejudice in accordance with 37 CFR §2.106(c).

Respectfully submitted,
